Re: Sanchez v. 2050 Valentine Avenue LLC et al
Case #: 21-CV-06305 (AT)(SDA)
Motion for Extension of Time

Dear Judge Torres:

My firm represents Plaintiff in the above-referenced action, and I respectfully write to request a brief one-week extension of the April 1, 2022 deadline for Plaintiff file his motion for settlement approval. I am happy to report that the parties have worked through the issues and have now finalized the language in the settlement agreement, but the additional time is needed to arrange for final client review and signatures. It does not appear that any prior request for an extension of this deadline was made.

We thank the Court in advance for its time and consideration.

GRANTED in part, and DENIED in part. The Court shall accept the filing made on April 2, 2022, ECF No. 27, as timely and shall GRANT a one-day extension *nunc pro tunc*. As the parties have filed the required settlement documents, no further extension is required and the request for a one-week extension is DENIED as moot.

SO ORDERED.
